Introduction

XRT is the decentralized peer to peer ERC20 compatible token created by XRT Foundation which especially works in Hotel and Restaurants industry. It seeks to improve the digitalization of the crypto currencies in this sector. This document presents key information pertaining to the structure, allocation and terms of using XRT token.

Token Sale

Token sale participants should be aware of matters of progress and check information provided by XRT Foundation.

- In order to launch and grow the XRT decentralized network, XRT Foundation is undertaking a Token Sale that will provide institutional and individual contributors with the opportunity to participate in the XRT project.
- There are 66% of Total supply allocated for the Token sale which is equal to 330000000 XRT.
- The whole event of Token Sale is divided into Two Parts; Pre-sale (includes only one Phase) and ICO (includes Three Phases).
- Prices of XRT are fixed in Ethereum in every phase of ICO. But to convert it in USD, we have assumed Ethereum equal to 1000 USD to avoid its fluctuations. **THIS IS JUST TO SHOW THE PRICES OF XRT IN USD FOR THE CONVINIENCE OF THE USERS. PRICES ARE ORIGINALLY FIX IN ETHEREUM ONLY.**
- Hard Cap = 40000 Ethereum

- Soft Cap = 4000 Ethereum
- Minimum Purchase = 0.1 ETH
- Maximum Purchase = 80 ETH
- We accept multiple crypto currencies as payment; We recommend buyers to convert them into Ethereum while purchasing XRT. Also the converted XRT will be available there on the website. Below crypto currencies are acceptable :
 - ✓ Ethereum (ETH)
 - ✓ Bitcoin (BTC)
 - ✓ Digibyte (DGB)
 - ✓ Binance Coin (BNB)
 - ✓ Monero (XMR)
 - ✓ Dash (DASH)
 - ✓ Litecoin (LTC)
- Participants who have not completed the KYC / AML process, can apply for revert back his payment to the same address only before ICO ends.
- Their payment will be returned back within 30 days only after the end of ICO after deducting 5 % charge to cover the fluctuation loss, service fees, time and procedure costs.
- If the total supply of XRT for the pre-sale and ICO sold out before the provided dates, the sale will be closed.
- XRT's intention is to enable a broad base of community members to participate in the token sale. As the total number of tokens available in the presale and crowdsale will be capped, XRT cannot guarantee that all prospective

purchasers from the whitelist will be able to acquire their desired allocations during the Pre-sale.

- Further information regarding timelines, discounts, bonuses, KYC procedures, restricted countries and supported payment methods will be made available on XRT's website as the token sale draws closer.

KYC/AML Policy

XRT Foundation is establishing a platform which will be usable all over the world. Compliance with the laws and regulations of all jurisdictions is a prerequisite for XRT Foundation to be operational worldwide.

Compliance with Know Your Customer (KYC) and Anti Money Laundering (AML) regulations and all other relevant international and jurisdictional laws will be ensured by XRT Foundation. Comprehensive legal compliance will be achieved as per the country wise legal compliance implementation strategy. Countries with highest usage of the platform will be given higher priority compared to countries with low usage.

It is incumbent on all parties purchasing XRTs to comply with all relevant international and their jurisdiction's rules and regulations including but not limited to laws relating to crypto currencies, KYC and AML. Parties purchasing XRTs should consider these factors prior to purchasing any XRTs.
